## PRESIDENT STATEMENT

The fresh citrus industry “ Oranges , Mandarins and lemon ” is one of the major export sectors in the Egyptian economy as well as many kinds of fresh fruits and vegetables.

The Egyptian climate suitability makes its fruits and vegetables famous and highly desired among Northern and Southern Hemisphere regions.

Our company has a constellation of skilled and trained manpower in every aspect of work process from harvesting to shipping. So, we provide fruits and vegetables to our clients from importers, wholesalers, supermarket chains, caterers and the processing industry, under a clear mission which is to supply our customers with the “Best, Freshest Quality at the most Competitive Prices”.

Our brand *Khair*<sup>®</sup> is very reputable in the international markets and their demand is increasing to a great extent that we are still improving to meet this increasing demand for our products all over the world.

OrionTrade for Export and supplies was Founded in 2014, with a wide experience within the fresh fruit and vegetable sector in Egypt. As our Grandparents and Fathers started to cultivate the Agricultural Products which they were selling to Egyptian exporters at that time. Therefore in 2014 we wanted to continue what our grandparents and fathers started.

Now Oriontrade serves over 45 markets around the world and growing.

Finally, Our goal is to providing the best solutions, in close cooperation with our customers continuously through developing long-lasting relationships, and developing our staff, by offering a stimulating environment that encourages innovation and knowledge sharing.

*Sincerely Yours,*

*Ahmed Hussien*

President
