

Calendula

OvioNtraDE
IMPORT & EXPORT

Calendula, a flowering plant also known as pot marigold, can be served as a tea or used as an ingredient in various herbal formulations.

Calendula oil has antifungal, anti-inflammatory, and antibacterial properties that might make it useful in healing wounds, soothing eczema, and relieving diaper rash. It's also used as an antiseptic.

Our *Khair* brand and label is the hallmark of guarantee that you are buying a product of the highest quality.
