

# FRESH GRAPES

**OvioNtraDE**  
IMPORT & EXPORT

Our Fresh seedless grapes are in high demand worldwide due to its premium quality and delicious, natural sweet flavor with an extremely high juice level. Our red flame and white superior seedless grapes are cultivated in our farmlands with a dedication to quality control to guarantee a superb product to our customer. Our grapes are perfect for eating raw as well as making jam, grape juice, and jelly. The leaves of the grape's vine itself are considered edible and are used in the production of Middle-Eastern and

Mediterranean foods. Our *Khair* brand and label on our grapes is the hallmark of guarantee that you are buying grapes of the highest quality.
