

# FRESH POMEGRANATES

Our fresh pomegranate from Egypt is available during the summer season. we are producing pomegranates in a range of sizes: A - B - C. Each fruit contains masses of edible seeds individually covered by a delicious translucent, juicy, red, pulp and fragrant, tasty and provides you with vitamin C.

Our pomegranates are heavy and plump. Our *Khair* brand and label on our pomegranate is the hallmark that you are buying pomegranates of the highest quality
